Mr. Walerko: Attached please find an electronic copy of the Preliminary Investigation Report from the Lusher Street Groundwater Contamination Site, which outlines the results obtained during the 2009 sampling. The Final Remedial Investigation Report and the Focused Feasibility Report in a CD are being sent separately through mail.

Thanks.

Syed

Re: Lusher Street Groundwater Contamination Site

Elkhart, IN

Dear Mr. Quadri:

A number of years ago, we provided a Consent for Access to Property to the EPA for the Lusher Avenue site investigation, with respect to our property at 1935 W. Lusher Avenue, Elkhart, IN 46517. A copy of that Consent is enclosed for your reference. According to our records, the EPA conducted an investigation on our site in 2009. No investigation report, findings, or other information has ever been provided to us as to the results of that investigation. (Unless contained in public documents we are not aware of).

Pursuant to the Freedom of Information Act, access to public records law, sunshine law, or other law applicable to the EPA, please promptly provide a copy of the existing documentation on file with the EPA with respect to the investigation conducted on our site at 1935 W. Lusher Avenue, Elkhart, IN 46517 in 2009, and since that date if any further investigative activities have taken place. Thank you for your attention to this matter.

Very Truly Yours,

Edward M. Walerko, President
